REVISED REGULATIONS FOR THE DEGREE OF BACHELOR OF SCIENCE IN DAIRY TECHNOLOGY AND DAIRY HUSBANDRY

The following regulations shall come into force with effect from the admissions of 1970.

General

1.1. These regulations shall supersede previous regulations for these examinations except in following cases :

- (i) the results of the various B.Sc. in Dairy Technology and Dairy Husbandry examination to be

held in April/May, 1970, shall be declared in accordance with the previous regulations which are being replaced.

- (ii) Candidates who have already been granted exemption or have been allowed to re-appear in certain subjects through the University official notifications already published shall continue to be governed by the previous regulations which are being replaced.

1.2. These regulations shall apply to all candidates appearing in the B.Sc. Dairy Technology and Dairy Husbandry examinations to be held in November, 1970, and subsequent to that except those included in Regulation 1.1. After the expiry of exemption, etc., already notified by the University as per Regulation 1.1, (ii), all candidates including those already admitted to B.Sc. Dairy Technology and Dairy Husbandry courses shall be governed by these (new) regulations.

2. The examination for the degree of Bachelor of Science in Dairying shall be held in two branches, namely, Dairy Technology and Dairy Husbandry. Each branch shall have five examinations, viz., First, Second, Third, Fourth and Final. The First, Second, Third and Fourth examinations shall be sub-divided into two parts (I and II). The examination in Part I (First Semester) shall be held in the month of November/December and again along with Part II (Second Semester) in April/May every year or on such other date as may be fixed by the Syndicate. The supplementary examination both for Part I (First Semester) and Part II (Second Semester) shall be held in June/July every year (*i.e.*, before the commencement of the next session).

3. Every candidate shall forward his application to the Registrar, by the 15th October in the case of Part I examination to be held in November/December, and by the 1st of March in the case of Part II examination to be held in April/May, accompanied by the prescribed fee. The admission forms and fees for the Supplementary examination shall reach the Registrar at least two weeks before the commencement of the examination.

4. Whenever the application or fee of a candidate is received more than three days after the last date prescribed in Regulation 3, he shall pay an additional fee of Rs. 5 as late fee, provided such application shall be entertained only up to three weeks before the commencement of the examination.

5. The amount of admission fee to be paid by a candidate shall be as follows; this also includes fee for detailed marks. A candidate appearing in one or more subjects or papers shall pay the same admission fee as for the whole part :—

	<i>Ist Semester</i>	<i>2nd Semester</i>
	Rs.	Rs.
1. For the 1st examination	40	40
2. For the 2nd examination	45	45
3. For the 3rd examination	50	50
4. For the 4th examination	55	55
5. For the Final examination	Rs. 100	

6. Lectures shall be counted up to 10 days previous to the date of commencement of examination.

7.1. As soon as possible after the termination of examination in each part, the Registrar shall publish the result of all the candidates.

A candidate who has passed both the Parts of First, Second, Third and Fourth examinations shall be granted a certificate. A candidate who has passed the Final examination shall be granted the degree of B.Sc. Dairying in the branch offered.

7.2. All the sessional marks, duly countersigned by the Principal, shall reach the Registrar within 10 days before the commencement of the examination, and a proper record (*i.e.*, a Registrar) for this purpose shall be maintained by the college.

7.3. The practical work done by each student during the year shall be recorded in a note-book which must be attested by the Professor concerned and presented to the examiners during the oral and practical examinations.

8. Every candidate shall be examined in the subjects and the syllabus approved by the University.

9. Each academic year will consist of two semesters as follows :—

1st Semester : From 15th July to 30th November (including examination).

2nd Semester : From 15th December to 30th April (including examination).

10. Immediately after taking the fourth examination, every student shall undergo practical in-plant training from the beginning of the session in July to the end of March of the following year in a factory/farm approved by the Principal of Dairy Science College. On completion of the in-plant training every student shall attend the Dairy Science College at Karnal for 4-5 weeks during which he shall present a report on in-plant training and shall appear for the Final examination which shall consist of theory (two papers) and an oral examination. He shall also bring a report on his training from the Head of the Factory/Farm in which he received the training.

FIRST EXAMINATION IN DAIRYING

11. The examination shall be open to—

(a) any college student who—

(i) has been enrolled in a college affiliated to the University for the degree of Bachelor of Science (Dairying) during one Semester preceding the Part I examination and one academic year preceding the Part II examination;
